

Montana Conservation Seedling Nursery Ordering Information

Minimum Order Requirements: Customers must order seedlings in complete lots and meet minimum order requirements. Order according to the following lots sizes (refer to our webpages for more resources)

- **Bareroot** trees and shrubs: lots of 50
- **Small Container** (S-10, R-10, Stubby 10, S-20, D-27, S-28, S-30): lots of 24
- **Large Container** (100 in³ and 175 in³ potted seedlings): conifers, lots of 8; hardwoods lots of 9.

For NEW CUSTOMERS, the minimum order for bareroot is 150 seedlings, for small container is 144 seedlings; for large container is 48 seedlings.

For RETURNING CUSTOMERS, and for customers replacing seedlings from a previous order, the minimum order is one lot (either 50 bareroot seedlings, 24 small container seedlings, or 8 large container seedlings).

Payment: Full payment must accompany all orders **less than \$250**. A 50% deposit is required at the time the order is placed for all **orders more than \$250**. **The balance is due by December 1st**. Make checks or money orders payable to Montana State Treasurer. Credit card transactions will be assessed a processing fee. Cash payments must be made in person. **DO NOT SEND CASH**.

Seedling Pickup and Delivery: Bareroot stock must be picked up by May 15th. All other orders must be picked up prior to June 15th or there will be a holdover charge assessed to the order. All orders that are not picked up by July 1 will be cancelled without refund. Orders received after April 1st are not eligible for delivery by state truck. The state truck will schedule one delivery day in April or May per selected county. **Please review the list of counties we deliver to at the bottom of the order form to determine if the state truck will deliver to your area.** State truck is our preferred method for seedling delivery. You can arrange for pick-up at the nursery in Missoula. We can ship via FedEx on a date of your choosing for an additional charge.

Terms of Sale: Due to the perishable nature of nursery stock, the nursery cannot be responsible for loss after receipt and acceptance of the nursery stock. Credit may be allowed for proven unsatisfactory stock through mutual agreement of the purchaser and the nursery providing:

- The nursery is notified within 10 days after the seedlings have reached your county.
- That mishandling in transit by a commercial transit company did not cause the damage or injury.
- The Montana Conservation Seedling Nursery's total liability is limited to the original purchase price of the nursery stock.

Check with the nursery or our web site for current prices, which may change from year to year based on our operational costs. We reserve the right to change prices at any time.

Orders not paid in full by June 1st may be charged interest at the rate of 1.25% per month or an annual rate of 15%.

CANCELLATION/ORDER CHANGE POLICY: We will refund the entire cost less a \$30.00 processing fee if an order is cancelled prior to January 1st. Orders cancelled after January 1st may be assessed a 50% cancellation charge.

Montana Conservation Seedling Nursery Order Form.

Instructions: The Order Form contains 4 pages, you must complete all pages, sign the signature line, and include the conservation verification form to be eligible to do business with the state nursery. Please contact our office if you have questions about the form.
